

## **Sponsorship/Donation Opportunity**

*Tax Exempt Id No: 94-2549718*

*School Year 2024-2025*

Dear Valued Business,

The Newcastle Parent Teacher Corporation (Newcastle PTC) is a non-profit serving Newcastle Elementary and Newcastle Charter School's K-8th grade students.

We provide monetary and volunteer support for classrooms and programs, including but not limited to field trips, enrichments, playground equipment, information technology, and campus improvement. The funds generated from our annual fundraising events are used for the direct benefit of all of our students and their teachers. We rely on the support of our community through donations like yours to make this possible.

This year we are excited to announce our 2nd Annual Knights Warrior Run. This free event will be held on April 4th on the school campus, and all students at Newcastle Elementary will participate. This is our largest fundraiser of the year and is only possible with donors like you. This year we are contacting local businesses for monetary support in exchange for an advertising opportunity. Please see the attached sponsorship options on how your business can be featured on our Warrior Run T-shirts which over 500 students will wear!

The Newcastle PTC is a 501(3)(c) non-profit organization and donations to this event are tax deductible. Please consult your tax professional for further information. Thank you for your support of our students, our school, and their education!

Sincerely,

PTC Crew

Warrior Run Planning Committee
